

Timberline Tractor & Marine Inc.

CAPABILITY STATEMENT

Company

Timberline Tractor & Marine Inc. is an Ohio based company founded in 1984; our repair facility and offices are located in Canton, Ohio. Our company qualifies as a small business enterprise. Our expertise is in the sales and service of diesel, natural gas, and methane engines, and generator sets. We are also engine parts distributor.

Company Principals

Lori Scholtz, President – Business professional with more than 20 years of experience in business management.

Joseph Scholtz, Secretary/Treasurer – Field service engineer with more than 35 years of experience in engine sales and engine repair.

Key Product

Timberline Tractor & Marine Inc. specializes in the repair/rebuild of diesel, natural gas, and methane engines and/or generator sets. We can supply our customers with a wide range of new or used engines, generator sets, and/or engine parts.

Services

We offer worldwide service, as well as in-house service, on engine repairs and/or engine rebuilds. We are committed to provide superior service in a most timely manner at competitive prices. All work is warranted. We are also a master parts distributor for several major manufacturers.
